

Lion Cub's Class

jhaigh@orcsd.org

T: 389-3638

Dear Lion Cub Families,

We had a terrific time last month pretending to make cookies, singing various holiday songs, and continuing to work on early math and literacy skills!

This month we will be focusing on a winter theme. We will learn about bears and other arctic animals as well as how animals stay warm when it's cold outside. In our classroom we'll play with pretend snow and observe how arctic animals blend into their environment, build caves for bears to hibernate in, and sing songs about penguins. It will be very exciting!

Jen :o)

WEATHER REMINDERS

Please remember to send your children to school with the clothing necessary to play on the playground. We will be going outside at the beginning of our school day as long as it is not raining and is above 20 degrees.

Labeling winter gear with your child's name is extremely helpful, as is sending in a pair of slippers/shoes for your child to wear in the classroom instead of wet boots.

SICK POLICY

This is the time of year when the germs are rampant! Please keep your child home for 24 hours if they have a fever or are throwing up so that we can try to keep it from spreading to other students/staff. Be sure to call or email us to let us know. Also, if your child takes the bus please let transportation know they will not need a ride.

IMPORTANT DATES

January 15

No School- Martin Luther King Jr. Day

January 22

No School – Teacher workshop day

Thank You!!!!

We cannot thank you all enough for your generosity this holiday season. We are incredibly fortunate to work with such kind families. Please know we appreciated all of the gifts we were given as well as the donations of tissues and wipes!

- Donations of tissues are needed please, we have been using them quickly!
