

# JANUARY 2018 TIGER CUBS NEWS

Happy New Year Tiger Families,

I hope everyone had a nice holiday and enjoyed time with family.

The theme this month is Winter/Arctic Animals. We will learn about snow and ice and animals in winter such as Penguins and Polar Bears. Jan Brett is a favorite author and her books will help us incorporate many of our basic skills while having fun sequencing stories, increasing vocabulary, learning more about colors and shapes along with early literacy and number concepts.

Our sensory table will have cotton for pretend snow with penguins and blocks for building igloos. The dramatic play area has large cardboard blocks for building igloos and forts for various winter animals. The kitchen is now a bear cave for pretend hibernation including stuffed bears and penguins.

## Things to Remember

Winter is here! Please send children in outside play gear (hats, mittens, snow pants, boots) as we will continue to play on the playground at the beginning of the day as long as the temperature is above 20 degrees. Please label pants and boots.

Please send in indoor shoes to change into when wearing boots. They can stay in their cubbies or in back packs. Thank You!

:

## IMPORTANT DATES:

1/15 No School Martin Luther King Day

1/22 No School Teacher Workshop

If your child will be out, please remember to call or Email.

Tiger class telephone is 389-3694. Please remember to call transportation if your child takes the bus as well, at 868-1610.
